

DESDE EL AIRE

Presentation 2019

2018074267 Markus Clark Batz (Desde El Aire)

Hello

Our Barcelona based company specializes in close range drone aerial photography and video filming. Our main goal is to provide outstanding service on a low budget.

We cater for all kinds of events and commercial shootings. Weddings, corporate and sports events, videoclips and TV commercials. We also offer real estate, construction site and agriculture control photography.

Our team

Our team is composed of a group of professional and talented people who love what they do and will strive to achieve the best results in an efficient manner. All our pilots and drones are certified and have the necessary insurance and legal requirements to work in Spain.

We can easily adapt to international filming crews as our team members speak various languages.
