

Line Producers Global

SHAPING THE PRODUCTION

Line Producers Global is Leading Line Production Company of India; we provide Fixtures, Production Coordinator, Line Producer, Local Producer and Production Planner. LP-Global is an arm of Golden Tulip Films with offices in various countries around the world. Line Producers Global has a support of 11 production companies around the world. The motive of Line Producers Global is to enhance and increase

UNDERSTANDING YOU

We well understand that production in overseas is a nightmare if you are not aware locally or have not appoint a local producer or fixture or line producer. As we are producing productions world-wide for decades, we can easily realise the importance and need of a local person to take care of permissions, crew, locations, geography, social culture, govt. apprehensions, transportation and accommodations. We are here to take care of you as a co-production fellow.

QUALITY COMES BECAUSE OF EXPERIENCE

With the experience of 26 years, Line Producers Global has made enormous numbers of Productions and Line Productions for its esteemed clientele and gained trust for the same. Because we believe "You trust on us as we have trust on our experience.". Our company enjoys support of a large number of Highly Experienced and Advanced Technicians worldwide.

Line Producers Global provides three consulting platforms for production and post-production services, location and talent research, and strategic marketing planning.

Line Producers Global is the only Line producers in the world who has three tiers Silver, Golden and Platinum Budgeting facilities, we also make budget as per your pocket & requirements, without compromising with quality and flavour of the production.

We are committed, sincere, economical, transparent, customer friendly, warm professionals since 1986.
