## Postproduction Management

At Freeyourpost we manage and supervise postproduction projects for advertising, television and cinema.

We give assistance from the creation of your very first idea, study your project and work with you while evaluating every detail to achieve the best solutions.

We aim to make your project viable providing the highest quality yet within your adjusted, or preferred, budget.

We select enterprises, persons and technical equipment which best suit your project while supervising all the post-production process from A to Z. We provide our maximum involvement on your project on every step.

A person is shown in silhouette, wearing large headphones and looking towards a computer monitor. The scene is dimly lit, with light filtering through vertical blinds in the background, creating a moody atmosphere. The person's hands are near the keyboard, suggesting they are working.

## Postproduction Agency

Our talent agency allows audiovisual companies to immediately access professionals needed to perform any job within the postproduction area, for a specific job or for a continuous working relationship.

Our selection process, completely free for companies, guarantees our clients a wide range of profiles among which they can choose the candidate that best suits the needs of their project or vacancy.

We understand how important each project is to you and will help you to realise its potential by offering the best professionals available.

We have an extensive network of collaborators specialised in a wide range of post-production audio/video areas.

## About Us

Freeyourpost was founded in September 2014 by Rafel Galdó and Lidia Martínez.

**Rafael Galdó** began his professional career at Animatica, the first animation and 3D design company in Spain. Subsequently, he founded Virtual Effects, specialised in 3D and VFX animation for cinema, advertising and events. In 2005 he joined Molinaire / Imasblue as a cinema Project and Operations Director. Later on, he joined Tres60 Group in Barcelona as a Postproduction Director.

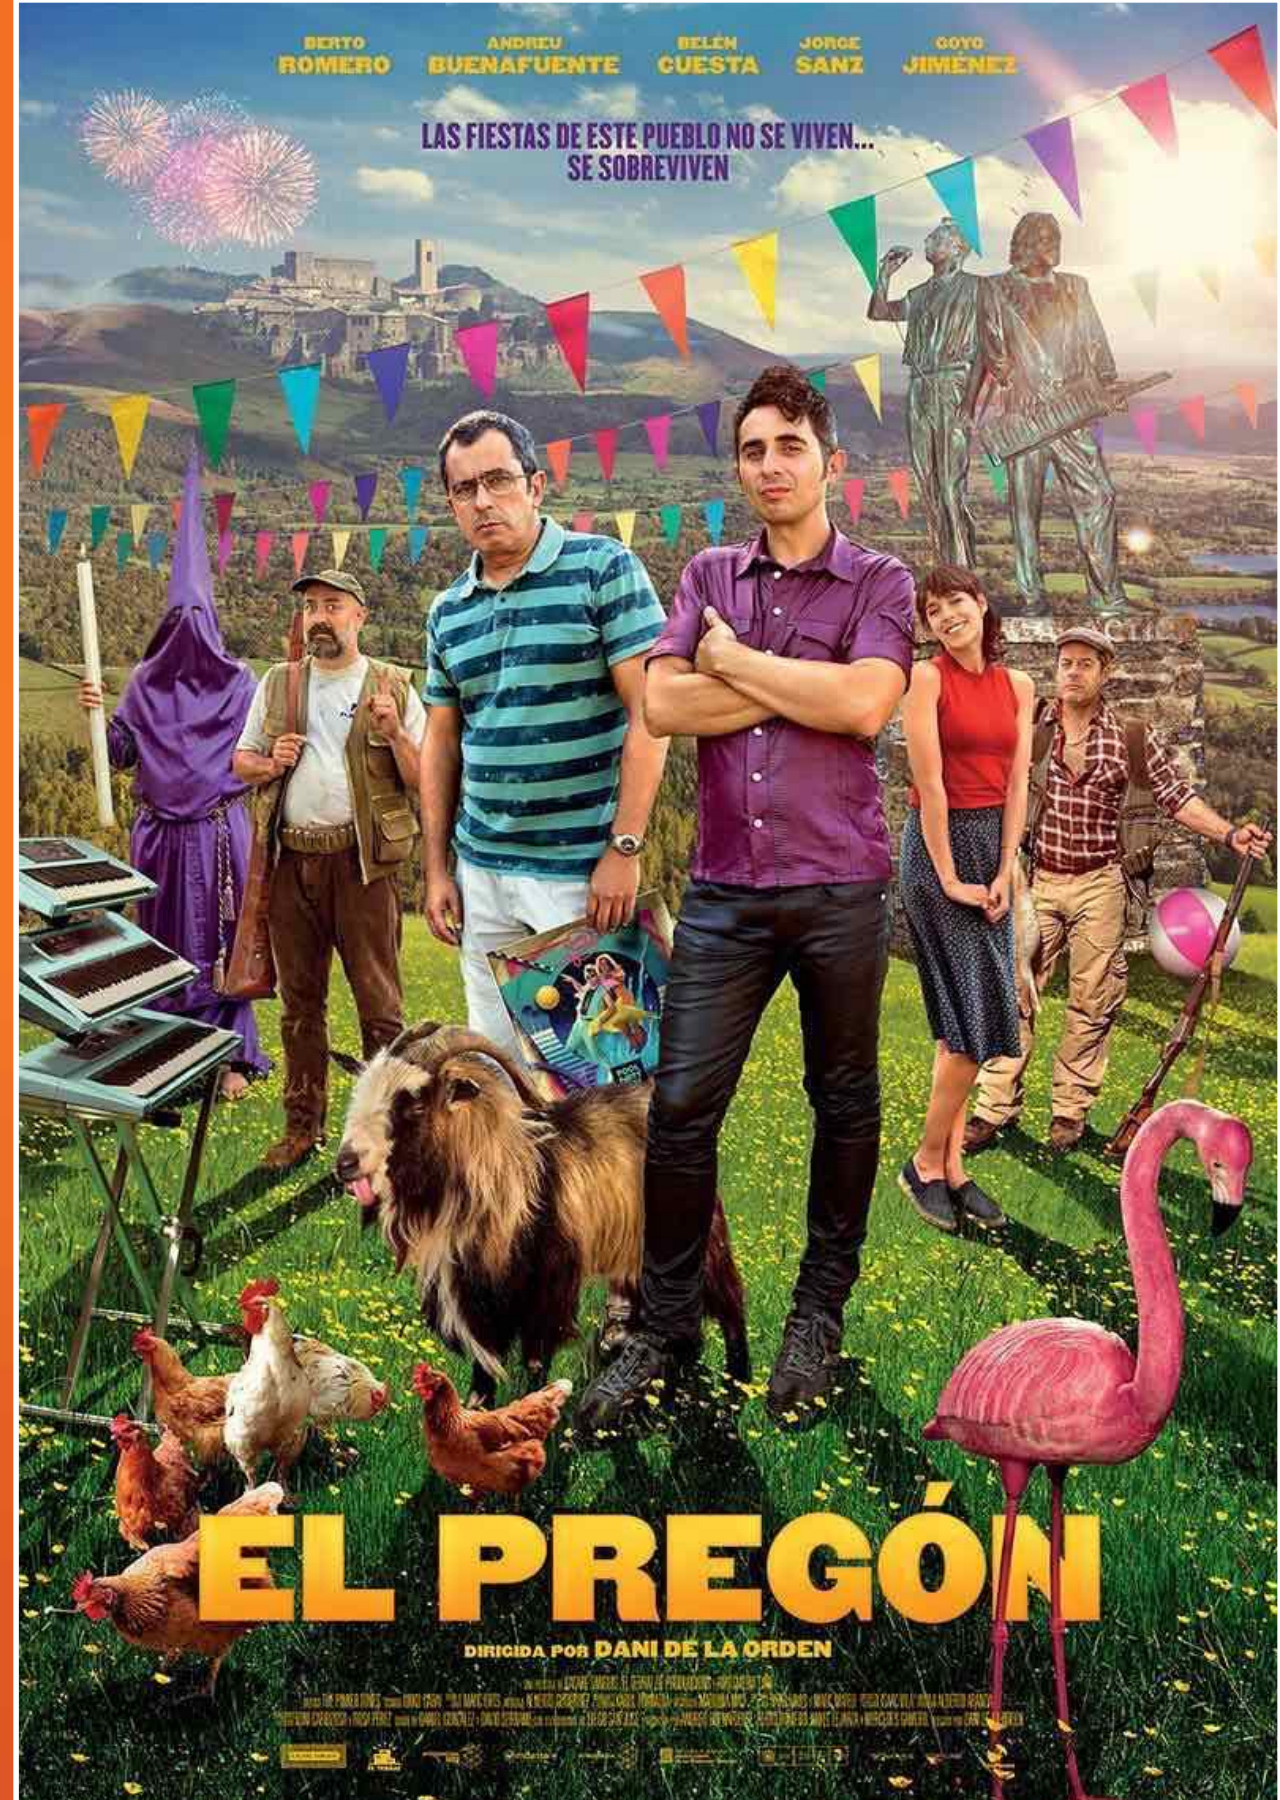

During this time as a Director, Postproduction Director and VFX Supervisor he has acquired a lot of experience of team coordination and postproduction project supervision and control.

**Lidia Martínez**, graduated in Audiovisual Communication by the Universidad Autónoma de Barcelona, has held different management positions within the audiovisual field. She worked in journalism for TV3 and then as a Production Director for TV shows and documentaries in DTV Productions / Media Park. For the last 20 years her work has been focus on Account Direction for cinema and TV within the postproduction department with such major companies as Filmtel, Infinia and Imasblue.

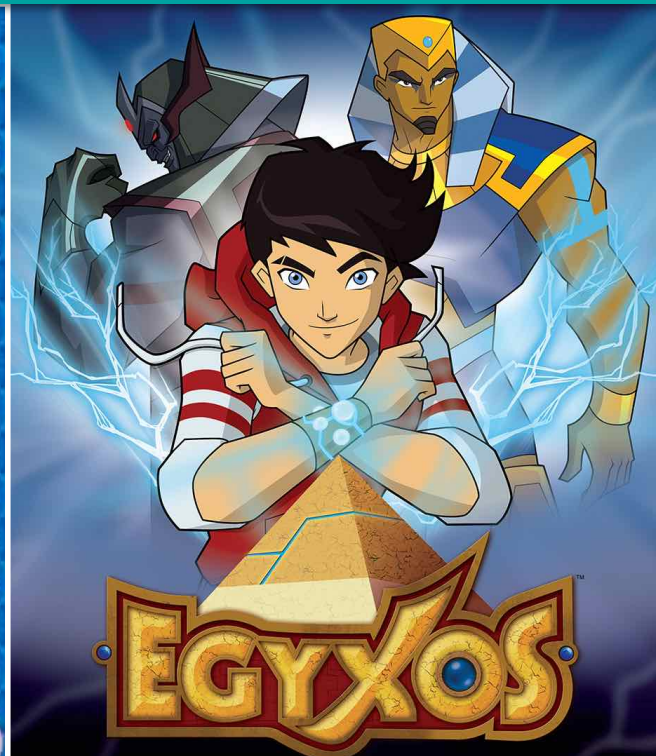

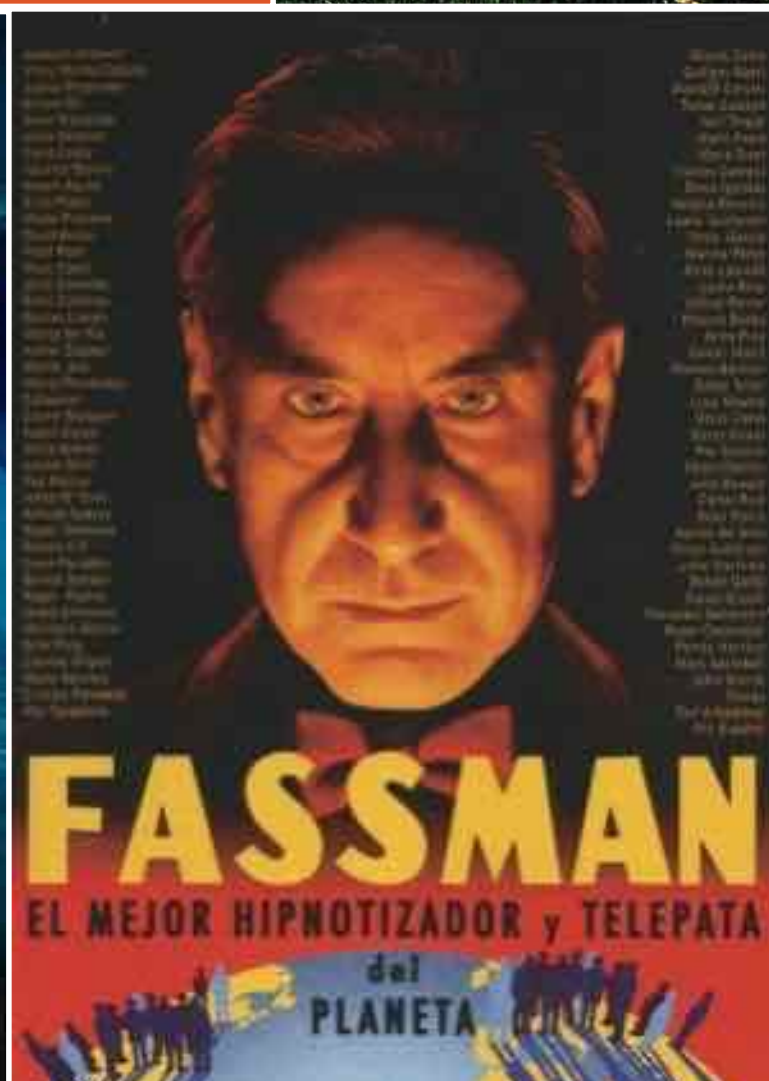

Throughout their working life, Lidia and Rafa have established a strong relationship with producers and distributors as well as postproduction suppliers. Their experience is supported by their solid knowledge accumulated over the years.

Both have a clear vocation of service and broad technical knowledge that guarantee them to take on the task of any audiovisual postproduction project regardless its size and budget.
