References:

- I can highly recommend Jerzy as a reliable and competent DoP and he's a very good bloke to have on the team. - Tony Briggs, Director
- I have worked with Jerzy on numerous projects ranging from commercials to documentaries and short films. Jerzy is a hard working individual, a must have crew member for any production that take their work seriously. Can't praise this individual enough. - Jeffrey Owusu, Cinematographer
- Jerzy is a great candidate for his non-stop, hard-working attitude. Always a great laugh on set with him around and he's always punctual. Couldn't have picked a more dedicated crew member. - Kate Connerty, Writer/Director
- Jerzy was a very proficient DoP on our latest shoot for a TV comedy pilot called Unleashed. He came well prepared with shot list and put thought into the day's shoot. He was very adaptable and easy to get along with. Cast and crew enjoyed working with him, which included children. And finally the footage was very good, just what I wanted. I would like to work with him again and recommend him to others. - Jane Sanger, Lumino Films, Director
