(Poblenou) 08005 Barcelona

Hello! I'm Grau, a production sound mixer based in Barcelona.

I'm a sound recordist with 10 years experience in the industry. My clients usually work in Corporate videos, comercial, documentary, TV and film.

I'm a fluent english and spanish speaker ready to travel around the globe.

Equipment is key, and the sound kit that will be used for your production includes only high quality gear such as Sound Devices, Schoeps and Wisycom.

I hold a clean driving license and Dante Networking level 2 certification.

Equipment

Sound devices 633 is the centerpiece of my equipment. 6 inputs / 6 outputs and 10 recording tracks, boom pole with Schoeps mics, 4 radio microphones with sanken capsule and Sony personal monitoring for Director, script and clients.
